

WHAT IS THE PRRL LABS CREATIVE JOURNAL MADE OUT OF?

all of our creative journals are made with care in the heart of portland, oregon by scout books.

each order is offset printed using vegetable-based inks, and 100% recycled papers sourced from american mills.

the covers are made with 18pt chipboard that contains 85% post-consumer recycled content and 15% pre-consumer recycled content.

the internal pages are made with 70# text weight paper containing 100% post-consumer recycled content.

all of scout book's presses and production machinery are powered with renewable energy.

to order your own set of scout books, go to <https://scoutbooks.com/> and tell them we sent you!
